

MOBILE BROADBAND

Information About the Service

Mobile Broadband provides you with wireless internet anywhere you can get a mobile phone (4G) signal, Australia-wide.

Service Requirements

Mobile broadband services require a suitable 4G modem for the service to operate. If the 4G SIM is inserted into a 3G device it will operate at 3G speeds.

Service Availability

<http://www.zetta.net.au/services/internet/mobile-broadband>

Minimum Term

Mobile Broadband services have 1 month or 24 month contract terms. Early termination fees apply.

Early Termination and Plan Change Fees

Refer to [Fees Quick Reference Card](#) for full Early Termination fees. Plan change fee is \$20. To change your plan, go to [Mobile Broadband Plan Change](#).
